WSF 2021

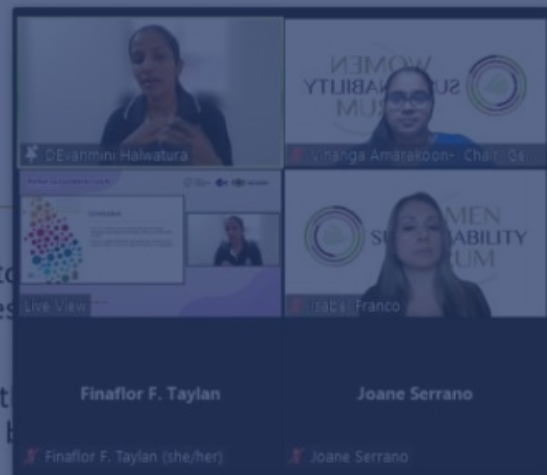

Gender Mainstreaming in the United Nations Sustainable Development Goals: A Global Overview

Colombo, Sri Lanka and online · Hybrid

Conclusion

- Thus, it's a timely issue to perception and awareness in 2030.
- Because, without filling the public on SDGs, it won't be

AT A GLANCE

VENUE

Colombo, Sri Lanka and online

FORMAT

Hybrid

PROGRAMME

35+ speakers from over 20 countries

HIGHLIGHT

11 SDGs addressed by speakers

WSF 2021

About the Forum

The seventh Forum was held in Colombo and online from 10 to 12 November 2021, again as a supporter of #FlyingLess. It gathered scientists, practitioners and policy makers in sustainability from Asia and the Pacific, the Americas, Europe and Africa.

Each speaker framed their work around a Sustainable Development Goal, from gender equality and quality education to clean water, climate action and partnerships for the goals.

WSF 2021

Outcomes and impact

- The Exceptional Women in Sustainability Awards 2021 (eWisely Awards) recognised exceptional women in sustainability
- Parallel sessions for Asia and the Pacific, Africa and Latin America
- A report of the Forum

Colombo, Sri Lanka, in Asia and the Pacific, hosted the seventh edition of the Forum.

Programme

Plenary session

Perspectives on SDGs 5, 6, 12 and 17 from parliament, the United Nations and universities in Sri Lanka, Japan, South Africa and Zambia.

Parallel sessions: Asia and the Pacific, and Africa

Twenty presentations on climate action, life on land, health, education, clean water, peace and justice, and sustainable consumption and production.

Session: Latin America

Ten presentations from Colombia, Chile, Brazil, Peru and Mexico on education, sustainable cities, gender equality, life on land and sustainable fashion.

Exceptional Women in Sustainability Awards 2021

The Exceptional Women in Sustainability Awards 2021 (eWisely Awards) were presented in an online ceremony.
