PROGRAMME

14 speakers in plenary
and parallel sessions

HIGHLIGHT

Exceptional Woman
and Champion in
Sustainability Awards
2022

WSF 2022

About the Forum

The eighth Forum was held in Manila and online on 31 August 2022, in collaboration with the University of the Philippines Open University, and streamed live on its platforms.

It discussed case studies across sustainability science, policy and practice: how women are represented in disruptive industries, the attraction and retention of women in sustainability roles, inclusive business models and women entrepreneurs.

WSF 2022

Outcomes and impact

- The Exceptional Woman and Champion in Sustainability Awards 2022
- Parallel sessions chaired by the Forum's regional chairpersons
- A recording of the Forum, available to watch

Manila, Philippines, in Asia and the Pacific, hosted the eighth edition of the Forum.

Programme

Plenary

Voices from universities in the Philippines and Bangladesh, the United Nations and the Ministry of Environment and Energy of Costa Rica.

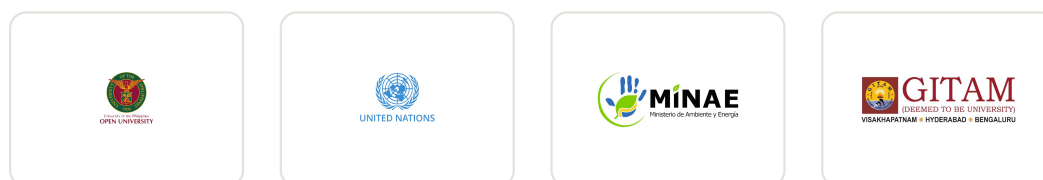

Gender and climate change

Women and the circular economy, clean water, awareness of the SDGs in Sri Lanka, and climate change, agriculture and gender in the Philippines, Vietnam and Lao PDR.

Education and future focused sustainability

Building communities for better futures through slow fashion in Colombia, sustainable healthcare, women's participation in biodiversity management, and online communities for sustainable development.

Partners and sponsors

University of the Philippines Open University; United Nations; Ministry of Environment and Energy, Costa Rica; BRAC Institute of Educational Development; GITAM; Zoological Society of London; and Deakin University.
